Program Notes – American Riversongs

American Riversongs is based on traditional and composed music of an earlier time, when the rivers and waterways were the lifelines of a growing nation. *American Riversongs* begins with a rousing setting of "Down the River", followed by an expansive and dramatic treatment of "Shenandoah" or "Across the Wide Missouri," as it is sometimes called. After a brief transition, a brass band is heard playing a quadrille-like version of Stephen Foster's "The Glendy Burk." As the "Glendy Burk" travels along, a second theme is introduced by piccolo, flutes and tambourine. The second theme is based on a Creole bamboula tune that probably originated in the Louisiana delta region. Other composers have used this melody, including Louis Moreau Gottschalk in his *La Bamboula*, Op. 2 for piano and his Symphony no. 1, subtitled *A Night in the Tropics*. The bamboula theme is marked by an incessant syncopated ragtime rhythm and used to good effect in the coda to bring *American Riversongs* to a rowdy, foot-stomping close.
